Genesis of this song

My cousin, Dr. M.O. Thirunarayanan from Miami, was returning home in July, 2013 on a cross-country red-eye flight after visiting us in California, when the lyrics for this beautiful, endearing song on Baby Krishna just started flowing effortlessly in his mind. Over the next few years, he worked with us all to embellish the lyrics even further, resulting in this finished song. We hope you will enjoy listening to the different renditions of this song above.

**Yen Kanmun Vandhu Nee Vilayadu Kanna,

**Yashodhaikku Koduththa Anandhaththai,

Yen Kanmun Vandhu Nee Vilayadu Kanna,
